NOTICE: Study Tour 2026 to the Bangladesh Air Force Museum and Aquarium

12 November 2026

Dear Parents of Playgroup to KG II,

We are delighted to inform you that a study tour to the **Bangladesh Air Force Museum and Aquarium** has been arranged for our young learners from **Playgroup to KG II on Thursday, 19 November 2026**.

This exciting outing will offer our little learners a wonderful opportunity to discover the fascinating world of aircraft and explore the colourful underwater world. Through observation, exploration and joyful experiences, they will have the opportunity to learn beyond the classroom, spark their curiosity and create happy memories with their friends and teachers.

We look forward to a delightful day filled with discovery, excitement and meaningful learning for our little ones!
